Remark:

1. 'Gen Ed' refers to any general education courses offered for International Programs by General Education Center.
2. Only in the 2nd semester of 3rd year, the semester is splitted in to two halves. In the first half (Jan-Feb), students must attend only 2302307 class. Then, in Mar-May, students can attend the rest of their registered courses in that semester.
3. Project Proposal course (2302399) is registered in the 2nd semester of 3rd year but the course span from Aug 2566 till the end of the 2nd semester.
4. Courses in blue are placed in *suggested* semesters. They, however, can be taken in different semester as seen fit by the students and their academic advisors.
