**Remark:**

1. 'Gen Ed' refers to any general education courses offered for International Programs by General Education Center.
2. Only in the 2<sup>nd</sup> semester of 3<sup>rd</sup> year, the semester is splitted in to two halves. In the first half (Jan-Feb), students must attend only 2302307 class. Then, in Mar-May, students can attend the rest of their registered courses in that semester.
3. Project Proposal course (2302399) is registered in the 2<sup>nd</sup> semester of 3<sup>rd</sup> year but the course span from August till the end of the 2<sup>nd</sup> semester.
4. Courses in blue are placed in *suggested* semesters. They, however, can be taken in different semester as seen fit by the students and their academic advisors.
